

Stewart Tussing "Long Thread" *Limited Edition* T-Shirt Order Form

Proceeds from the sale of this shirt will go to the Pete Huttlinger Medical Fund.

Pete was our primary guitarist on the Long Thread project and also acted as session leader. He is the co-writer on one of the tracks and has been a great friend for twenty years. He has worked with greats such as John Oates (Hall and Oates), Leann Rimes, John Denver and many more. Pete has a congenital heart defect that has bothered him throughout his life. Recently the situation became much worse and he was taken by air ambulance to Houston's St. Luke's/Texas Heart Hospital where he received a hi-tech Heart Ware pump to circulate his blood. This device is considered a bridge to a heart transplant. The expenses - medical, travel and so forth - are astronomically high and every little thing we can do helps - and by helping you also get a great t-shirt. You can find out more by going to www.petehuttlinger.com where there's also a link for direct contributions to his medical fund (and great music). Thanks!

T-shirts may be pre-ordered and therefore "reserved" while supplies last. There is no shipping if you have us bring your shirt to the concerts in Jacksonville on August 5th or 6th. **Payment must be received before August 1st** to be reserved and brought to Jacksonville for the concert but shirts will also be available at the show and after but only while they last. Reserved shirts will be available on a first come, first served basis and, again, while supplies last.
